NATIVITY MISSION
Nativity Preparatory School New Bedford is an independent, tuition-free middle school for boys from low-income families in the New Bedford area. The school provides a challenging and supportive learning environment, where motivated students of all faiths are offered an intellectual, cultural, physical and moral education. The goal is to graduate young men who are academically prepared for further education, inspired to lead their lives with humility, and dedicated to serving others.

KNOWLEDGE
Dear Friends,

With a sense of heartfelt pride and sincere gratitude, we present to you the annual report of Nativity Preparatory School New Bedford. Our recent fiscal year, 2018-19, was one of great accomplishment as well as great sadness. We successfully completed our first capital campaign, *Nativity2020*, ahead of schedule and 30% over our initial target but, at nearly the same moment, we mourned the death of our charismatic Head of School, John Martin. It was John who provided the inspiration for *Nativity2020* and who was tireless in his pursuit of both educational excellence consistent with the Nativity vision and the ongoing search for resources necessary to achieve our goals. John’s legacy, in addition to our lasting memories of his generosity, wisdom, and care for students, will be the stable and secure financial position in which he left us. The new outdoor play area, named in his honor, will remind us of John every day.

In the last two fiscal years, due to our capital campaign, Nativity has attracted more gifts than at any other time in our 20-year history. And that has allowed the virtuous circle to continue…our mission drives our education programs which attract resources which allow our educational programs to grow in excellence which supports our mission at a higher level. The thoughtful use of resources provided by our generous donors is an ongoing effort on the part of all of us at Nativity… and we send sincere thanks to those donors whose support allows our work to go on.

As always, we invite you to come see the exciting things happening here at 66 Spring Street and to meet our students as well as the teachers, staff, volunteers and parents who give life to the Nativity mission each and every day. As John Martin himself said “Nativity is here to stay and we look forward to continue to ‘Build our Community, One Boy at a Time’.”

Ed Ottensmeyer, Chair, Board of Trustees
Dear Nativity Friends,

During Morning Assembly each day, students and faculty focus on a word, idiom, and quote, any of which can help frame our mindset for school. Recently, the quote came from Dr. Martin Luther King, Jr.—“Life’s most persistent and urgent question is, ‘What are you doing for others?’”

The teacher in charge of selecting these each week, Isaiah Ratti, knows the impact selflessness and service can have on the lives of Nativity students. An alumnus of the Canisius Class of 2010, Mr. Ratti is now an integral part of our faculty, teaching English. He and our eight other teachers lead by example, giving of themselves on a daily basis for the betterment of their students. Each has an intimate understanding of how your support makes a positive difference to our school community.

Evidence across the board demonstrates that helpfulness, collaboration, sharing, and care for others tend to lead to positive outcomes in academics, interpersonal relationships, and ultimately careers and family life. All of you in the Nativity community who contribute time, talent, financial resources are modeling these essential traits for our young men in your own ways. Developing Nativity Men for Others takes time and people to lead by example—we cannot do it without you.

One person who led by example was John Martin, Headmaster from 2015-2019, who passed away on July 11, 2019 after a long illness. John was a Nativity Man for Others—a guidepost and a model of our values, not only to our students but our teachers, staff, and community.

With gratitude for your support, we look forward to continuing a tradition of academic excellence for many years to come!

Sincerely,
Jay Goldrick, Head of School
On May 9, 2019, Nativity celebrated our heroine with a dinner honoring Annie McGuire. Annie came to Nativity in 2009 as a volunteer guidance and adjustment counselor. She also developed the Mentoring Program that continues today. As a trained and experienced counselor, her gifts to Nativity were priceless. For ten years, she dedicated herself to improving the lives of our young boys with guidance and a warm smile.

In tribute of Annie’s dedication she was recognized by alumnus, Tanner Rosa, who participated for three years in the Mentoring Program and by long-time mentor, Jim Dildine.

Annie’s daughters, Molly and Hannah, shared special moments with their mother and alumnus, Denzel Coe shared his experience as a student who benefited immensely from Annie’s counsel and wisdom. A highlight of the evening was a song about Annie, written by the wife of long-time mentor, Paul Mello, and his daughters.

On behalf of the Board of Trustees and the Nativity2020 Capital Campaign Co-Chairs, James Feeney, Edward Ottensmeyer and Sarah Rodgers McNeill, we are honored to offer this 2018-2019 Annual Report with the utmost gratitude for the continuing generosity of the entire Nativity Prep community.

The last fiscal year 2018-2019 saw another rewarding year for Nativity’s very first capital campaign Nativity2020: Building Our Community One Boy at a Time. After meeting and exceeding our initial campaign goal of $1.5 million in cash and pledges in a short five months, Headmaster John Martin and the campaign co-chairs introduced a new campaign goal of $2,020,000 by 2020, Nativity’s 20th anniversary with Phase 2: Sustaining our Future/Sustaining our Promise. Along with generous donations towards the Team Martin Fundraiser using the annual New Bedford ½ Marathon as an organizing event, we were able to “cross the finish line” to raise over $2.1 million in cash and pledges and see John Martin’s vision realized.

Several of our campaign initiatives were accomplished this year such as investment in the infrastructure of the school building, inside and out. The most exciting project was the completion of the new recreational play area behind the school that replaced an old, indoor pool. On August 26, 2019, 53 students launched into the new school year with outdoor recess on the newly dedicated John D. Martin Playground, honoring our beloved Headmaster who passed away on July 11, 2019.

Now it’s time to celebrate!!!

On Friday, May 29, 2020, we will be hosting a very special celebration of the 20th anniversary of the founding of Nativity Preparatory School New Bedford. We hope you will join us for this unforgettable evening of celebration of Nativity alumni, students, faculty, staff, trustees, donors, and sponsors all while supporting the future of Nativity Prep and the next 20 years of Building our Community One Boy at a time. Guests will enjoy cocktails, dinner and dancing under a tent at 66 Spring Street in New Bedford. Please contact us for more details.

Giving Back!

NATHAN ARGUETA
Nativity Prep Class of Aquinas 2008
St. Paul’s School 2012
Davidson College 2016
After graduating from Davidson College, coming back to teach at Nativity Prep was really a no-brainer. Nativity taught me the importance of hard-work, goal-setting, and friendship; all of which have followed me to high school, college, and beyond and played an integral part in creating the person that I am today. I feel very fortunate that I was able to learn from and follow in the footsteps of some truly amazing faculty and staff members.

ISAIAH RATTI
Nativity Prep Class Canisius of 2010
Northfield Mount Hermon School 2014
University of Massachusetts at Dartmouth M. Ed. 2019
Now that I am a teacher, I believe it is fair to say that Nativity’s mission has come to fruition for at least one student. I am extremely grateful for Nativity and all of the fabulous teachers who’ve taught me and giving me the guidance to become a first-generation college graduate. I never believed these opportunities would be presented to a regular boy from New Bedford. I wanted to return and teach here since I was twelve years old because I had a first-hand look at the difference Nativity could make in someone’s life. And although I may have been unaware of the various challenges that come with being a teacher at Nativity, I always firmly believed in the value of education, humility, and integrity.

JACOB BERMAN
Nativity Prep Class of Gonzaga 2009
Groton Class 2013
Boston College 2017
“My time at Nativity was incredible. For four years, this community provided endless support and encouragement in and outside the classroom. I came back to try to help create the same type of positive experience for our current students.”

BENJAMIN LAWRENCE
Nativity Prep Class of Aquinas 2008
Bishop Stang High School 2012
Stonehill College 2016
“I came back to teach at Nativity because this school was the most important part of my life as a child. I wouldn’t be where I am today without my experiences here and I wanted to give back a small amount to the place that had given me so much. The best way I knew how was to help future Nativity men, so that hopefully they would feel the same way about Nativity that I do.”
